

In Catholic Studies, we are interested in everything.

OUR MISSION:
EXPLORE THE
IMPACT OF THE
INCARNATION ON
THOUGHT AND
CULTURE.

SEE FOR
YOURSELF!

That's because everything is connected - literature, science, history, philosophy, theology, and the professions. That is why we explore the impact of the Incarnation on thought and culture in each of our courses and in our life together. And that is why you can thrive in your Catholic faith in college and develop life-long friendships as you prepare for a professional life of service.
